

## Instructions to create a GoBally Online Login

You now can create a GoBally Online login by going to <http://gobally.ballytech.com>.

1. Click on the Request Login link in the upper right hand corner of the page.

2. A new browser window will open with the New User Request Form.
3. Please fill in the form with your information as it relates to your account with Bally Technologies.  
*Note: You must fill out the form with all the required fields.*
4. Prior to sending your information, please print the form or write down your User ID and Password for your records.
5. Click the Send Information button.
6. Please allow 48 hours for information validation. After validation, an email will be sent to you confirming your User ID and Password, at this time your access to GoBally Online will be complete.

If you have any questions regarding the creation of a GoBally Online login, please email [webmaster@ballytech.com](mailto:webmaster@ballytech.com).
